# Summer Working Connections July 8-12, 2019

In the H226 break room, coffee, ice water, and hot water will be available, but please provide your own snacks for breaks. Snack and soft drink vending machines are available in Heritage Hall's downstairs east vestibule.

## Things to Remember

1. Be sure you initial the attendance sheet at each session – morning and afternoon – every day. Your attendance at every session is required in order to be eligible for travel reimbursement.
2. You'll be asked to complete two surveys on Friday:
  - ★ Overall
  - ★ Track-specific

The surveys will be available at: <http://summerworkingconnections2019.nationalctcwiki.org/surveys>

Failure to do the two surveys may make you ineligible to attend Working Connections for 12 months. That is, you won't be able to attend Winter 2019 and Summer 2020 Working Connections.

3. Use the H226 break room whiteboard as a message board to communicate with your fellow attendees. This may prove especially useful in arranging carpools.
4. If you received a photo release form in your welcome folder, please fill that out and give it to your instructor.
